### **PALMER ELEMENTARY RECEIVES FREEDOM SHRINE**

The Exchange Club of Quail Valley and Lake Olympia Development recently donated the Freedom Shrine to Palmer Elementary School. This award is one of the American Citizenship projects of exchange clubs. The Freedom Shrine is an exact photographic copy of twenty-eight of the most famous documents in American history. The shrine is presented so that Americans of today will be inspired to preserve that for which our forefathers so brilliantly fought and strived to create—freedom! The shrine hangs in the library at Palmer Elementary School.
